

PRASANTH KUMAR PINDI

prasanthkumarpindi@gmail.com | <https://www.linkedin.com/in/prasanth-kumar-pindi/>

Education

| | |
|---|--------------------------|
| VIT- AP University, Amaravathi | 2021 - 2025 |
| Bachelor of Technology - Computer Science and Engineering | CGPA: 8.71 |
| Oxford Vit College, Narsaropet | 2019 - 2021 |
| Intermediate in M.P.C | Percentage: 94.5% |
| Blue Bells Public School, Atchampet | 2018-2019 |
| SSC | CGPA: 9.7 |

Skills

Technical Skills: Java, Sql

Soft Skills: Logical Thinking, Problem Solving

Core Concepts: Object-Oriented Programming(OOPs), Database Management Systems(DBMS)

Certifications

- 24 Hour Great India Hackfest 2024 hosted by CSI Chapter VIT-AP
- Enterprise Design Thinking Practioner was issued by IBM
- Best Project Award -Engineering Clinics at VIT AP

Projects

Text-Based Emotion Detection:

Classified emotions in text data using machine learning techniques. Dataset included emotions such as joy, sadness, fear, anger, surprise, neutral, disgust, and shame. Preprocessed text data by removing special characters, converting to lowercase, and applying lemmatization. Trained a logistic regression model with scikit-learn.

Amazon Prime Video Content Analysis Project:

Preprocessed data, performed EDA to identify trends and contributors, created visualizations, and delivered insights to enhance content strategies and user experience. Collaborated on future suggestions like predictive modeling and engagement analysis.

Achievements

- Secured Top 10 in out of 1000 Engineering Clinics Expo in VIT AP.
- Secured 6th Position in 24 Hour Great India Hackfest 2024 hosted by CSI Chapter VIT AP

Volunteer Experience

- Monitor at CSI: Served as a dedicated Monitor in the CSI Club, actively contributing to the club's activities and fostering a collaborative environment.
